

WATERLOO NORTH HYDRO INC.
Engineering Department

**PRE-FIT CONSULTATION
APPLICATION - FORM 'A'**

P.O. Box 101, 526 Country Squire Road
Waterloo, ON N2J 4A3
Tel: 519-888-5552
Fax: 519-886-7049
eclerk@wnhydro.com

The Pre-Fit Consultation is a service provided by Waterloo North Hydro Inc. (WNL) at no cost to provide the information the applicant needs in their OPA FIT application.

WNL will assist applicants to identify the details of connecting a project to the grid such as: station names, feeder designation, voltage and potential point of connection.

All information provided is subject to change based on current power system conditions and the status of other connecting generators.

Please complete the following information and return it to Waterloo North Hydro Inc.
