APPROVED METER-BASE PLUG-IN TRANSFER DEVICE
WAIVER AND RELEASE FORM

ADDRESS: _____

The undersigned hereby acknowledges and agrees that the approved meter-base plug-in transfer device installed at the above property was installed by an electrical contractor licensed in accordance with Ontario Regulation 570/05 (Licensing Of Electrical Contractors and Masters Electricians) made under the Electricity Act, 1998.

The undersigned also acknowledges and agrees that Waterloo North Hydro Inc (WNHI). has the right to disconnect and/or remove the approved meter-base plug-in transfer device if for any reason WNH feels that the installed equipment might be causing any disturbance in the electricity system.

Finally, the undersigned acknowledges and agrees that if any damages occur to any property, electrical equipment or the electrical system and the cause of damage was found to be from the approved meter-base plug-in transfer device or caused by any customer owned equipment, the customer is responsible for 100% of the cost of repair.

The undersigned hereby acknowledges that this Waiver and Release Form has been read and understood in its entirety and that it has been signed voluntarily.
